Sacred Experience

Sacred Retreat
in Attica, Greece

20-21-22-23 September 2021

During the Retreat we will be visiting sites and temples that are connected and consecrated to the Goddesses since the 8th century BC.

We will hear our mothers and grandmothers whisper secret rituals, ancient knowledge and advice.

We will learn to listen and hear the Goddess and the land speak as they did to the wise ones who came before us.

We will walk the ancient priestesses' path, and participate in mysteries as old as the land.

I will lead you to allow the message of the Goddess to emerge, and Her wisdom and secrets to be shared with you, through oracle spreads, guided meditation, rituals and ceremony, as well as sacred walk, gentle movement and deep, transformational and inspirational breath and energy work.

In a safe space we will take time to discuss and to honor what you need, whether it is rest, sleep, breathe, read, journal, learn, grow, laugh, or celebrate!

Sacred Praise

Sacred Retreat
in Attica, Greece

from various workshops and retreats 20-21-22-23 September 2021

During this evening, I did experience well-being as well as serenity, and, as I do every time I work with Isaya, I discovered things about myself. This workshop gave me more strength to be fully myself. I love those moments spent with women in all simplicity. They are moments of communion and joy and I leave feeling refreshed and pumped with energy.

Nath F.

Thanks to Isaya, I pay a subtler attention to the magic aspect of my everyday life. What I loved is the sincerity of your transmission, of your implication. Your greatest quality is your profound desire to contribute, to assist, enlighten, guide others towards a more spiritual life.

Mirza

I just did the Hestia workshop and it was amazing to release her from within to start working more closely with her. Thank you for that it was fantastic and I loved your break down of her. I was told a few years ago to bring her forward but I couldn't find much about her and now I feel ready to work more with her. I love the work you are doing here!

Sarah H.

What I find most impressive about her is her total honesty in the work she does.

Indeed she is fully dedicated to taking good care of the people around her, and every time a session comes to an end, I have a nice feeling of comfort and profound emotional well-being.

Your Sacred Mentor

Sacred Retreat
in Attica, Greece

20-21-22-23 September 2021

Hello, I'm Isaya from isayabelle.com, I'm a multi-passionate writer, a mixed media spiritual artist and crafter, as well as a magico-pragmatic mindset and biz coach, goddess teacher and traveling priestess.

My work focuses upon personal empowerment, and how to fulfill our soul's needs. I inspire, accompany and motivate women to dare through change, rise to an enhanced, upcycled, more colorful, happier version of themselves, and create a new empowered life and biz !

I live in France but I'm from Greece so I discuss daily with the likes of Athena and Aphrodite, and I teach women to empower themselves, rise with the accompaniment of the Greek goddesses Archetypes, and feel supported by the Divine Feminine in all aspects of their lives (motherhood, menopause, sexuality, biz, relationships, creativity, health, etc)... and more !

I have been working with the Divine Feminine for over 20 years, in real life and online, and have facilitated women's circles, red tents, artist workshops and sacred retreats all over the world.

I help women who feel "too much" dare to rise, take up their rightful place, shine their light and talk their truth in the world !

What inspires me to get my message out there is that I am on a mission to spread the awakening of Divine Feminine Energy in the world and that my own blend of magic is unique but very accessible, needs no skills or prerequisites ... Just mindset and a little help from the Greek Goddesses !
